

Dear John F. Kennedy Catholic Preparatory School Families,

We are pleased to announce that Lessing's Food Service Management will be your cafeteria food service provider this September.

We will be implementing the use of Mykidsspending as the primary portal for managing student profiles and monitoring account balances for cafeteria purchases, which will be linked to your student's School ID Number.

Mykidsspending offers you the ability to:

1. Make deposits directly into your student's account online.
2. Set up the Account Auto replenishment feature, at your desired amount.
3. Apply daily purchase limits on your child's account.
4. Have multiple parent accounts for one student.

*Deposits and payments can be made through ACH (checking/savings) or Credit/Debit Card\*. Each student's account will be updated in real time, so account balance information will be current daily.*

**You will be receiving a preregistration email from Mykidsspending directly with a link to access your new account. Please look out for this email sometime in August.**

*Note: A parent account can be linked to more than one child even if they attend different schools.*

There is a 'per transaction' (deposit) convenience fee of \$0.75 plus 1% at check out for Checking/Savings and 4.0% for credit/debit with a minimum charge of \$3.00. These convenience fees are only associated with financial deposits and not necessarily purchases. We recommend depositing larger deposits via checking/savings ACH to reduce fees. **Please note that we will be accepting student account payments in the cafeteria, in the form of cash or check if you would prefer to avoid all transaction fees.**

We look forward to servicing you this year. Should you have any questions or need further clarification, please do not hesitate to contact us.
